Summary

Final-year B.E. Computer Engineering student with a strong interest in software development, web technologies, cloud computing, and data science. Familiar with HTML, CSS, JavaScript, React.js, Node.js, Express.js, Python, SQL, AWS Cloud, and fundamental data analysis concepts through academic projects and self-learning. A quick learner with good problem-solving skills, eager to begin a career in software development or data science, contribute to real-world projects, and continuously enhance my technical knowledge.

Technical Skills

Languages

C, Python, HTML, CSS, JavaScript

Frameworks & Libraries

React.js, Node.js, Pandas, NumPy

Databases

MySQL, MongoDB

Other Interests

Software Engineering, Operating System, computer networking, AI/ML

Tools & Platforms

GitHub, VS Code, Power BI

Projects

InfoBook – Student Profile Website

- Designed and developed a student profile platform inspired by LinkedIn, tailored for educational networking and collaboration.
- Implemented features such as user registration, profile management, student connections, and a dynamic news feed using full-stack web development technologies.

Brain Buzz – Coding Quiz Website

- Developed an interactive coding quiz platform where users can generate quizzes based on different programming languages and create private rooms to invite friends.
- Integrated an online code editor and compiler, allowing users to write, execute, and test code directly within the platform for an enhanced learning experience.

Fruit Ripening System – AI-Based Fruit Analysis

- Developed an AI/ML-based system to detect fruit ripening stages and estimate the approximate time required for ripening.
- Implemented image analysis for partial detection of fruit diseases and provided results through a user-friendly interface.

Achievements & Certifications

NPTEL – Demystifying Networking ([Certificate](#))

NPTEL – Systems and Usable Security ([Certificate](#))

IBM SkillsBuild ([Certificate](#))

AWS Cloud Practitioner Essentials – LinkedIn Learning ([Certificate](#))

Education

B.Tech. Computer Science & Engineering, University of Mumbai ☑

Expected: 2027 CGPA: 7.5 / 10

2027

Navi Mumbai

Senior Secondary (Class XII), C. S. Bafna Junior College

2022 57.33%
